

Lady and Chef

welcome to our website

Do you doubt your cooking skills? The idea of cooking makes you uncomfortable? The world of gastronomy seems so far away from you? We are a group of passionate and experienced cooks who can help you find solutions for your culinary problems!

We live and work in the province of Pordenone, our association **"Lady and Chef"** can teach you know to cook by proposing cooking lesson's for both adults and children! Our group io open to everyone, professional Cooks and amateur' s share their passion and their recipes in a friendly atmosphere! We also proposes Gastronomics tour' s so our members can discover or rediscover all the culinary mervels of Italy, these tours also give to our members an opportunity to socialize.

Explore the "menu" section below, to know us better, follow our activities, discover our cooking tricks, send us your suggestions, submit io us your questions, **we will be more than happy to answer them**. If our association interests you and wont to meet us, you can find all the contactin information' s below. **"Lady and Chef"** is a no-profitable association, with friends all over Italy, amateur and professionals, **come and join us!**

You can find original creations from "Lady and Chef" **TOCCHETTI PALU' ®**
